Gardens Team Highlights

This week, we're highlighting some of the members of our Thursday CSA team! First, Jonathan (pictured on p.1) is a 2023 graduate of the Bittersweet Pemberville Transition Program. He is thrilled to be working in Bittersweet Gardens and can't wait to earn his first paycheck-- a dream come true that your CSA purchase makes possible.

Lucas (pictured at right, below) graduated last year from the Pemberville Transition Program and has since been exploring vocational paths in the Whitehouse Day Program. He's become an expert at harvesting herbs and we're grateful to have him on the CSA team!

Finally, Phil (pictured above) and Lynn (pictured at right, above) are veteran members of our CSA team. Phil was one of the first ever participants to join our Day Program and has been gardening with us ever since! Lynn has been working in Gardens for several years, and one of her passions is ensuring that you have the best customer experience possible! She is also an expert on Bittersweet cookies, so if you ever have questions as you shop in the Market, she is the perfect person to consult!
