We hope these newsletters have given you a glimpse into your positive impact at Bittersweet Farms. The stories and photos we have shared reflect only a fraction of the difference you have made in the lives of our participants, and we truly can't thank you enough.

Gardens Team Highlights

Since your share includes a magnet from Creative Arts, we wanted to introduce you to Joe (pictured above), one of our most famous artists! Joe is best known for his paintings and ceramics work, and particularly his cyclops bunny, or "bunny with the sharp toes," design. Joe takes pride in selling his artwork in the Market at Bittersweet Gardens! If your share includes a ceramics magnet, there's a good chance Joe was part of creating it!

Next, Darin (pictured on p. 1) has contributed to your Spring CSA in countless ways. He often works behind the scenes, writing labels for produce packaging, labeling stakes for our raised beds, and cleaning to ensure food safety. We are grateful for all of his diligent work throughout the season!

Finally, we have big news to share! Two members of the Gardens Team, Mike (pictured at right) and Gino, brought home GOLD from the Special Olympics Ohio Summer Games! Mike won two gold medals in tennis (singles & doubles), and Gino won gold in the softball throw. Congrats, Mike and Gino!!
